

Capability Statement

Our Story

Metro Commercial Interiors began the journey as Metro Ceilings in 2007, starting as a small business with only a few staff members and growing into a well-respected company within the construction industry. As Metro Ceilings broadened its service offering, the evolution into Metro Commercial Interiors was a natural progression.

Today, we are an interior construction subcontracting company that specialise in the supply and install of suspending ceilings and commercial interiors systems. Whether it is home renovations, multi-million-dollar designer homes, high-rise apartments, shopfitting or commercial office fitouts; Metro Commercial Interiors can do it all.

We pride ourselves on providing a quality finish, on time and on budget, for every project that they undertake. Metro Commercial Interiors are passionate about reliable and professional project delivery, innovation, constant improvement, best practice, creating long term relationships and providing meaningful opportunities for our people to grow.

What We Do

We are commercial interior specialists, providing a range of commercial construction & interior fitout services within the commercial and residential sectors.

Commitment to Safety

Metro is committed to providing and maintaining a safe and healthy work environment for all in accordance with health and safety legislation, regulations, codes of practices and best practice guidance; demonstrated by the continued attainment of SiteWise Gold.

Company Values

Metro embraces the following values that represent our company.

- Integrity
- Reliability
- Quality
- Growth
- Professionalism

Construction Sector Accord

Metro are proud to be a Construction Sector Accord Network Member, committing to a better construction sector for New Zealand.

As part of the ongoing membership, Metro have committed to the following principles:

- Build trusting relationships
- Be bold
- Value our people
- Act with collective responsibility.

Management Team

The senior management team at Metro have a combined experience of 45+ years within the commercial interiors industry.

Dave Scarlett
Director

Dave started working in commercial interiors construction as an Installer. Dave took the step forward and started Metro Ceilings in 2007 as a small business which has now grown into Metro Commercial Interiors. Dave has years of experience within the commercial interiors sector, and has carried out all roles. His strong technical and practical experience brings a wealth of knowledge to our projects.

Luke Sykes
Director

Luke started his construction career in 2010 as a truck driver, and moved through the ranks to become the National Manager of a large commercial interiors construction company. Following this, Luke worked within the seismic engineering industry, before an opportunity presented itself at Metro Commercial Interiors. Luke has significant experience across the commercial interiors sector. His balanced and measured commercial leadership are evident across all aspects of the work that we complete.

Gray Davies
Contracts Manager

Gray's background includes obtaining a Bachelor of Science degree at UoA before beginning his career in construction as an Installer. Gray's attitude and aptitude naturally led him into project management before becoming Metro's Contracts Manager. Gray's experience within the commercial interiors sector brings a practical and pragmatic approach to the project team.

Noteable Projects

Metro has experience across all sectors of commercial construction; home renovations, multi-million-dollar designer homes, high-rise apartments, shopfitting, education, medical and commercial office fitout packages.
